PAT HAFNER
Parks & Recreation Secretary

CINNAMINSON PARKS AND RECREATION

Organizations or groups wishing to use the park fields for a specific amount of time or an event must request a permit from the Parks and Recreation Advisory Committee. An announcement is published in the newspaper the last two weeks of December and the first two weeks of January inviting anyone who wishes to reserve a field to do so in writing by sending that request to the parks secretary by February 1st stating the dates, times and name of the organization requesting the field. Liability insurance is also required.

All requests are reviewed at the February parks and recreation meeting and replies are sent to all applicants. All information regarding this policy is contained in township ordinance 2011-5. The Cinnaminson School District and Cinnaminson Senior Citizen organizations are exempt from all fees.

Application to Use Cinnaminson Parks
