Intersection Safety Improvement Project,
Riverton Rd. (CR 603) & Branch Pike (CR 606)/Parry Rd.
Cinnaminson Township

CONSTRUCTION SCHEDULE UPDATE

ROAD CLOSURE NOTICE- Branch Pike

Work is progressing on the construction of roadway safety improvements at the intersection of Riverton Rd. (CR 603) & Branch Pike (CR 606)/Parry Road.

On or about Monday, November 14, 2016 at 9 AM the intersection of Riverton Rd. (CR 603) & Parry Rd. will be re-opened to all vehicular traffic. In addition, at this same time, Branch Pike will be closed to all traffic at Riverton Rd. to allow for the completion of additional road work. For vehicles traveling on Branch Pike., a detour route will be posted utilizing Pomona Road. Residents using Bergen Dr. at Branch Pike will need to use Frost Rd. or seek an alternate route.

Construction activities will continue along the roadways after the intersection is re-opened to traffic. When traveling to and from your home or business, please be mindful of the road conditions and the safety of the workers.

For specific information on the planned roadway improvements please visit the Burlington County website at <http://www.co.burlington.nj.us/281/Engineering> and click on the link located under "Road Projects" or contact the Burlington County Engineer's Office at 856-642-3720.
