**CINNAMINSON TOWNSHIP
PUBLIC WORKS**

1601 UNION LANDING RD.
 CINNAMINSON, NJ 08077

856-829-6703

The Department of Public Works maintains all public buildings, parks and roads. We are dedicated to providing a secure and reliable infrastructure for the Township and its residents.

Our **Road Department** reconstructs/paves roads, removes trees and stumps, repairs and maintains all catch basins and storm lines as well as street sign replacement and pothole repairs. Our street sweeping includes residential as well as industrial streets.

The **Parks Department** maintains 127.43 acres of active parkland. They maintain the fields, walking trails, playgrounds, facilities, buildings and turf management. They provide sanitation & recycling services for all parks and public buildings as well as recycle tote repairs.

The **Mechanics Department** is responsible for the maintenance and repair of all heavy machinery, equipment, police cars and Township vehicles.

All Public Works Employees are available to assist Township Emergency Service Personnel as needed.

BRUSH: Brush is collected March to October. We pass each house once a month. Brush means shrubs, bushes and tree pruning's but excludes grass, flowers, weeds, stumps and leaves. If any excluded items are mixed with brush, the materials will not be collected. Large branches need to be cut into 4 ft. sections. Stumps are not collected & can be taken to the County Recovery Complex for disposal. Due to the size of the town, we do not back track or make special pickups. To insure pick-up, brush must be curbside by 7:00 A.M. the Monday of your scheduled week. Brush can be placed curbside up to 7 days before your scheduled pick up week. Do not cover utility caps with brush. At the end of the season your last brush collection will be the week in October that you are scheduled not at the end of the month. **Fence sections are considered construction debris and will not be accepted. As a reminder, brush placed curbside by a landscaper or contractor must be removed by them.**

LEAVES: Leaves are collected in November, December and April using the same schedule as brush. They can be placed curbside by 7:00 A.M. Monday of your pick up week. Do not cover up utility caps. Leaves may be bagged in large **recycle bags, not trash bags. Plastic bags will not be accepted. Leaves placed curbside during unscheduled pickup times must be removed by the homeowner/contractor.**

Improper content and placement of yard debris is a violation of NJDEP Municipal Stormwater Regulations and Township Ordinances. Violators could be cited to appear in Municipal Court.

STORM DRAINS: Contrary to popular belief, storm drains are not part of the sewer system. The water travels through the pipes and into our nearby waterways. Stormwater pollution is one of NJ's greatest threats to clean water. It is illegal for any person to dump leaves, garbage or other debris into this system. For more information visit www.njstormwater.com

TRASH COLLECTION: Trash is contracted with Republic Services, 4100 Church Rd., Mt. Laurel NJ 08054. Customer Service is available for any questions or to report a missed trash pick up at (856) 234-4000. Carpets must be cut into 4 ft. and bundled. Bags or containers not to exceed fifty (50) lbs. Bulk items like sofas, mattresses and chairs are limited to no more than 3 items a week. The Township does not provide for major household clean outs or renovations debris. Homeowners are responsible for proper disposal. **Leaves and construction debris are not accepted.**

RECYCLE CENTER: Public Works is open Monday thru Friday, 7:30 am to 12:00 noon. Everyone is required to sign in at the office before entering the yard. We accept:

- | | |
|---|-------------------------------|
| Motor oil | Rechargeable batteries |
| Auto batteries | Fluorescent bulbs |
| Televisions | All Electronics |
| Paint: Cans less than half filled can be dried out & placed in your regular trash. | |

Public Works does NOT accept:

- | | |
|----------------------------|------------------------|
| Gasoline | Propane tanks |
| Pesticides | Trash |
| Chemicals | Refrigerators |
| Bricks, Concrete | Grass clippings |
| Construction Debris | Stumps |

CURBSIDE RECYCLING: Please call (856) 461-4141 or use the Recyclecoach App to report a missed stop.

More information is available on our website:
www.cinnaminsonnj.org.

HAZARDOUS HOUSEHOLD WASTE
