The Food Bank of South Jersey challenges all students, staff, teachers and parents in surrounding counties to think of those less fortunate by organizing a food drive at their school. Each year, Cinnaminson Schools have been recognized for our efforts. The donations collected at the "Stuff The Bus" event and our "Jane Weilenbeck Food Drive" through December will be included in our total. At the end of the challenge, school districts that bring the most food will be presented with awards by the Food Bank of South Jersey.
