

## **EPA Invites Public Comment on a Proposed Cleanup Plan for the Cinnaminson Groundwater Contamination Superfund Site in Cinnaminson and Delran, New Jersey**

The U.S. Environmental Protection Agency (EPA) issued a **Proposed Plan to address Operable Unit 4 (OU4)** of the Cinnaminson Groundwater Contamination Superfund site on **September 17, 2020**. The Proposed Plan is available electronically at [www.epa.gov/superfund/cinnaminson](http://www.epa.gov/superfund/cinnaminson).

EPA's preferred cleanup plan for the site, described in this Proposed Plan, consists of groundwater remediation using pumping and treatment near source areas, and discharge of the treated water to surface water.

A **30-day public comment period** for the Proposed Plan will run from **September 17, 2020 to October 16, 2020**. The plan identifies the preferred cleanup options considered by the EPA. To address public questions and concerns about the proposed cleanup plan, EPA will host a **Virtual Public Meeting on Thursday, October 1, 2020 from 6:00pm–8:00pm EST**. To register for the public meeting, visit <https://cinnaminson-superfund.eventbrite.com>. To learn more about the public meeting, visit [www.epa.gov/superfund/cinnaminson](http://www.epa.gov/superfund/cinnaminson) or contact Natalie Loney at [loney.natalie@epa.gov](mailto:loney.natalie@epa.gov) or (212) 637-3639.

Anyone interested in receiving materials for the public meeting in hard copy should either email or call Ms. Loney with such a request by Friday, September 25.

Relevant stakeholders are encouraged to review the Proposed Plan, attend the Public Meeting, and comment on the remedial alternatives. **Written comments should be postmarked by October 16, 2020 at 5:00pm EST** and emailed to Alida Karas, Remedial Project Manager, at [karas.alida@epa.gov](mailto:karas.alida@epa.gov). The Administrative Record file containing the documents used on in developing the alternatives and preferred cleanup plan is available for public review at [www.epa.gov/superfund/cinnaminson](http://www.epa.gov/superfund/cinnaminson)
